

USCAP 2025 Booth
Executive Committee Task Force
2024
Society for Pediatric Pathology

Introduction

At the Spring meeting 2024 in Baltimore, the SPP Board of Directors approved establishment of a Task Force to investigate costs, design and man a tradeshow booth at the USCAP meeting 2025 in Boston.

Structure

The task force will consist of up to 8 SPP members representing different committees of the SPP and one chairperson. The chairperson will be responsible for organizing materials and meetings and reporting task force results. The members will be responsible for providing input. Business will be conducted by email and e-meetings to discuss and finalize the plans. The task force will report their recommendations to the SPP Executive committee by the end of the year 2024.
